

STATE OF IDAHO
invites applications for the position of:

Building Inspector / Plans Examiner

SALARY:	\$23.31 - \$24.77 Hourly \$48,484.80 - \$51,521.60 Annually
DEPARTMENT:	Division of Occupational and Professional Licenses
OPENING DATE:	06/13/22
CLOSING DATE:	09/11/22 11:59 PM
DESCRIPTION:	

Division of Occupational and Professional Licenses

Building Program Inspector/ Plans Examiner

The Division of Occupational and Professional Licenses is seeking an individual who wants to give back to their community in a meaningful, direct and tangible way by helping to provide consumer protection and public safety through its regulation of more than 204,000 licensees within 48 Boards and Commissions for the great State of Idaho.

This is a full-time position that entails performing inspecting and reviewing professional construction trade, building safety, and industrial safety for compliance with applicable codes, laws, and regulations. This position is available in the Pocatello/Blackfoot area and the Boise/Meridian area.

This position applicants must obtain, certification as a Residential Building Inspector, Commercial Building Inspector, and Building Plans Examiner certification within 6 months of hire.

Working for the state offers the ability to easily balance work and life commitments, including benefits such as [PERSI](#) retirement, [medical/dental](#) insurance, a [wellness program](#) and [state-facilitated training](#).

Inspectors with the Division of Occupational and Professional Licenses are prohibited from being engaged directly or indirectly, or financially interested, in any business, trade, practice, or work, or the sale of supplies related to the trade in which the Inspector is assigned.

Hiring managers are continuously considering applications for this position. This job announcement will be closed if the position is filled prior to the closing date.

EXAMPLE OF DUTIES:

- Conducting inspections or reviews of activities, including determining compliance with applicable codes, regulations, and laws
- Providing technical advice and assistance in best practices and corrective actions; implementation of safety codes, regulations, and laws
- Conducting on-site inspections, investigating complaints, and seeking compliance with regulations and safety standards
- Assembling and preparing background information and documentation regarding noncompliance activities, code violations, safety reviews, and licensure discrepancies
- Providing technical expertise to building officials, building representatives, contractors, and the public
- Assisting management and legal staff in addressing violations and possibly testifying in court or in administrative hearings.

Physical Activities of this Position

- Walking throughout the day; Driving a state vehicle throughout the day
- Crawling in and out of confined spaces, including attics and crawl spaces
- Climbing series of stairs in multi-story buildings
- Climbing ladders up to 14 feet high
- Moving building material weighing up to 50 pounds.

MINIMUM QUALIFICATIONS:

- Experience analyzing data for the purposes of making recommendations; operating a personal computer; analyzing data and preparing written reports.
- Valid driver's license.

Preferred Qualifications

Experience:

- Performing construction inspections to determine compliance with the construction codes adopted by the State
- Interpreting building diagrams, plans, and specifications

Building Inspections:

- Although not required at the time of hire to qualify for this position, having any of these certifications in accordance with Idaho Code 39-4108 may improve your standing as an applicant:
 - certification as a Residential Building Inspector
 - certification as a Commercial Building Inspector
 - certification as a Building Plans Examiner

Additionally, the successful candidate will be required to obtain these certifications within 6 months of hire if they are not already obtained.

SUPPLEMENTAL INFORMATION:
