CLOSING DATE:	08/08/22 11:59 PM
DESCRIPTION:	

Division of Occupational and Professional Licenses

Electrical Inspector

The Division of Occupational and Professional Licenses is seeking an individual who wants to give back to their community in a meaningful, direct and tangible way by helping to provide consumer protection and public safety through its regulation of more than 204,000 licensees within 48 Boards and Commissions for the great State of Idaho.

The Idaho Division of Occupational and Professional Licenses is looking for an Electrical Inspector to conduct commercial and residential inspections in the Eastern Idaho area.

This is a full-time position with full state benefits. The anticipated work schedule is 40 hours per week, with some occasional overtime required.

We are looking to fill several electrical inspector positions in the Eastern Idaho area to include Idaho Falls, Rigby, Rexburg, Pocatello, and surrounding areas. The specific inspection areas covered will be based upon the needs of the Division taking into account the residence of the successful applicant.

To be considered for this position, applicants must possess licensure as a Journeyman Electrician in Idaho and have four years of experience as a Journeyman Electrician in accordance with Idaho Code, Section 54-1019. Additional certification as an Electrical Inspector will need to be obtained within six months of hire (see below for more details).

Electrical Inspectors are prohibited from being engaged directly or indirectly, or financially interested, in any electrical business, trade, practice, or work, or the sale of related supplies.

Hiring managers are continuously considering applications for this position. This job announcement will be closed if the position is filled prior to the closing date.
